

Message from our General Manager/CEO

Basin Electric Power Cooperative takes great pride in its ability to assist in developing rural leadership in our region through our scholarship program.

The Basin Electric Power Cooperative Scholarship Program is designed to recognize and encourage the achievements of the children of employees of the Cooperative and its subsidiaries, and children of member-cooperative employees and consumers.

Since the scholarship program began, more than 5,700 young people in the Basin Electric system have benefited from this program. I wish all applicants the best. We have high expectations for your success in the future.

Todd Brickhouse
Interim CEO / General Manager

Submit your application to your local electric cooperative.

Scholarship Program

Scholarship Program for Member Cooperatives

A program for dependent children of:

- Member-cooperative employees
- Member-cooperative consumers

How much is the scholarship?

The Basin Electric Power Cooperative (Basin Electric) Scholarship Program will award more than 150 scholarships in the amount of \$1,000 each. Twenty-five scholarships are given to children of Basin Electric or subsidiary employees.

Twenty will go to children of member-cooperatives' employees, and the remainder to children of member-cooperative consumers. There will be one \$1,000 scholarship for each member cooperative to award to a dependent of a consumer member.

The scholarships must be used for educational costs, and the student must enter college in the fall of the school year for which the scholarship is given. Checks will be made payable to the school, and will be distributed to the school by Basin Electric. Scholarships will be distributed in August.

Who is eligible to receive the scholarship?

Dependent children (including adopted or step-children) of member-system consumers and dependent children of member-cooperative employees are eligible. The applicant must also be a U.S. citizen.

The applicant must be a student who is enrolled or planning to enroll in a full-time undergraduate course of study at an accredited, two-year or four-year college, university or vocational/technical school.

Basin Electric scholarships will be awarded without regard to other awards, loans, or financial assistance the applicant may have obtained.

How are the recipients selected?

Scholarship recipients are selected on the basis of academic record, potential to succeed, leadership and participation in school and community activities, honors, work experience, a statement of education and career goals, and an outside appraisal.

Member cooperatives will be responsible to select one recipient to be awarded a scholarship in the member-cooperative consumer category. The final recipient's completed application will then be forwarded to Basin Electric by the member cooperative.

The scholarship award winners or the member co-ops are asked to notify the Basin Electric human resources division with the name and address of the school the student will be attending by July 1. It is also important to know if the student has switched schools, or has decided not to attend.

What are the recipient's obligations?

Except for the requirements outlined in this brochure, no obligations will be imposed upon the student as a scholarship award winner. Other than payment of the

scholarship, no obligations or liability are assumed by Basin Electric, its subsidiaries or member cooperatives.

How can I apply?

To apply, complete the required criteria and the scholarship application, which can be obtained from your local electric cooperative office.

Children of member-system employees and consumers must submit the application and all necessary information to apply for a scholarship to their local electric cooperative office.

The applications must reach your cooperative by February 14, 2024.

Member cooperative instructions

Each member cooperative will be responsible to forward one finalist by March 1, 2024, to be considered for the member-cooperative employee dependent category.
